- 25X1 1. General Nicolae Radescu, former Rumanian Prime Minister, is presently  
25X1 attempting to secure for himself a following among Rumanians  
25X1 who oppose the Grosse government. Radescu indicated to some  
25X1 of his closest associates in the spring of 1947 that he wished to  
25X1 cooperate with the remnants of the Iron Guard, without whose assistance  
25X1 no action against the Grosse government would, in his opinion, be  
25X1 possible. At this time it is not clear whether Radescu is willing to  
25X1 collaborate with Horia Sima, extremist leader of the Iron Guard, or  
25X1 desires to secure for himself the allegiance of more moderate ele-  
25X1 ments of its membership.
